The Federal Rules of Civil Procedure place the burden of moving a case forward on the proponent of the litigation, which is the plaintiff. Plaintiff is advised that he has 14 days within which to seek default under Rule 55, Federal Rules of Civil Procedure, take a voluntary dismissal under Rule 41, or request other relief. Failure to take action within that time frame may result in dismissal of this action for failure to prosecute under Rule 41(b). Plaintiff is advised to seek the assistance of counsel.

ORDER

IT IS, THEREFORE, ORDERED that plaintiff take action within 14 days as herein instructed. The Clerk of this court is instructed to close this action if plaintiff fails to take any such action within the time provided.
